COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 172—*Tad. Mis., dated* 12*th February* 1930.

SUBJECT.—Instructions in regard to the compilation of the monthly returns of Stamps.

To

All Treasury Officers.

Cases have come to notice in which the monthly Plus and Minus Memos of Stamps sent to this Office were not correctly prepared in some treasuries. The more common defects and irregularities noticed are as follows:—

(1) Receipts from Vendors were not shown separately but included in "Receipts from Central Depot."

(2) There were discrepancies in the value of Stamps sold as per Plus and Minus Memos and the value credited in the treasury accounts under the respective heads.

(3) The returns were sent without verifying the Closing Balance shown therein with the actual stock.

2. The following instructions, which are supplementary to those contained in Appendix XXXII, M. C. A. C. Vol. II, are, therefore, issued for future guidance.

(1) While compiling the monthly stamp account of each Taluk Treasury, the undermentioned points should receive special attention:—

(*a*) The opening balance should agree with the closing balance of the previous month.

(*b*) Receipts from the Local Depot, Receipts from Vendors (paid for in cash) and receipts for stamps issued in exchange should be shown as separate items under "Receipts."

(*c*) Total monthly sales, as shown in the sales register, stamps issued in exchange for other denominations, and damaged stamps returned to the Local Depot should be shown as separate items under "Issues."

(*d*) The Opening Balance plus total receipts minus total issues will be worked out and entered as Closing Balance. The Closing Balance so arrived at will be compared with the aggregate of the balances under "Double and Single Lock" as shown in the Double Lock and Single Lock Stock Registers.

(*e*) The actual stock at the end of each month (both in the Double Lock and in the Single Lock) should actually be counted by the Treasury Officer and the balance actually found in the Double Lock and Single Lock should be noted separately in the monthly Stock Account and totalled. The total arrived at should agree with the Closing Balance already worked out.
